

# OLD ELK

*The unsung hero of whiskey is still hard at work pioneering mash bills the world has never seen. Luckily for us, Greg Metzke has decided to do it here at Old Elk. Four decades of practice led him to create our signature high-malt bourbon. And now we're proud to say Greg's adding three more instant classics to our portfolio: Straight Wheat Whiskey, Straight Wheated Bourbon, and Straight Rye Whiskey. So sip back, relax and enjoy because new traditions are made by respecting old ones.*
