ABOUT OLD ELK CIGAR CUT

- Inspired by the warm glow of a smoldering fire as well as the popular pairing of whiskey and cigars.
- Carefully selected blend combines the 'best of the best' from our Cask Finish series.
- Excellent paired either with your favorite cigar or standalone as your new favorite nightcap.

THE OLD ELK APPROACH

- Product made for you, our customers, based on well-loved, award-winning cask finish blends. Expertly blended for aficionados.
- Most of the flavor in a whiskey comes from the aging process, and the secondary aging of the cask finishes adds incredible depth.
